PRESS RELEASE

What does a sauce business in Lake Oswego, Oregon and Hall of Fame basketball player Clyde Drexler have in common? A shared belief that foods do not need to be high in fats or sodium, or loaded with additives in order to have outstanding flavor.

Danielle's Sauces, Inc. is pleased to announce that Drexler has agreed to endorse it's line of sauces. "I made the decision to team with Danielle's because they share my philosophy of making clean sauce, without preservatives or additives. I was also impressed by the sanitary conditions in the kitchen and bottling plant where their "Danielle's" line of sauces are made."

The line includes:

- Danielle's Teriyaki Sauce**.....Lower in sodium than any other pure teriyaki sauce.
Excellent with all meats, over rice and vegetables, etc.
- Danielle's Chiliyaki Sauce**.....A spicy teriyaki sauce that doubles as the ultimate glaze for pork and salmon.
- Danielle's Sweet Chili Sauce**...The perfect blend of sweet and spicy. Unparalleled flavor and versatility.

The Danielle's line has been available in stores and restaurants throughout Oregon since 1991. In-store displays bearing Drexler's likeness and an endorsement quotation are currently being built.

Buyers are invited to contact Neil Plein at the Danielle's Sauces corporate offices.
